EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

- Cancel claim 20.

Authorization for this examiner's amendment was given in a telephone interview with Gerard A. Messina on 2/15/06.

Allowable Subject Matter

2. Applicant's arguments to the claims and rejections are deemed to overcome the outstanding office action.

Claims 9-19, 21 and 22 are allowable.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the micromechanical switch comprising a contact element is movable and connected to the second spring element; the first spring element is displaced when there is a specified movement of the movable mass, the movable mass and the one contact element being separated from one another up to a specified degree of displacement of the first spring element and the movable mass contacts the contact element starting at the specified degree of displacement of the first spring element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the
